IN MEMORIAM

Our deepest sympathy is extended to the families and friends of our departed Brethren. May our Heavenly Father have them in His Holy keeping.

"The Grand Architect of the Universe has received the following into his presence"

NOTE FROM THE SECRETARY

Well March is going out like a Lion! The Valley of Steubenville is bringing in April the same way! We hit 91.54, Valley Of Excellence! We are not done! Curtis, Randy and Mark got us over the hump by signing in for Thursday Night at the Rite. Our preparations for The Feast of The Pascal Lamb, Breakfast with the Easter Bunny, and our April 9th Rite on The Road are keeping us hopping! The excitement is hard to contain and quite frankly I don't want to. It's great to see the fellowship between the Brethren at the Stated Meetings and Practices with everyone working together for an attainable goal. I would encourage everyone to keep doing what has gotten us this far to attain 100%.

Want to make some ones day? Pick up the phone and call someone you don't normally call and tell them you're just checking on them. The reward is immeasurable and you may just be that ear they needed at the right time.

Thanks for the Birthday Wishes and Cards

Fraternally,

Timothy L. Walters

A MESSAGE FROM THE DEPUTY'S REPRESENTATIVE

As of this week, our beloved Valley of Steubenville was named a Valley of Excellence by the Northern Masonic Jurisdiction! This esteemed honor is the result of months of work by dedicated brothers of this Valley. Brother to Brother phone calls, Rite on the Road events, individual donations to the Grand Almoner's Fund, a huge membership class and MANY more components came together to earn us this honor. As of this writing, there are just 7 Valleys earning this status in the entire Jurisdiction. We are currently number 4!!

Later this year, all Valleys earning the distinction will be presented with the award pictured above. But my dear brothers, it's not just about the award (which is, by the way, WONDERFUL!), it is really more about how we came together as a group. We faced a challenge, organized, planned, and executed AS BRETHREN UNITED. It was, and is, exciting to see how motivated and excited the Valley of Steubenville is today.

Well done, my brothers, well done. **This is what winning feels like!**
