GREETINGS FROM YOUR VALLEY SECRETARY

We have had a great April, May, and June. On April 25th we had our Spring Reunion with fourteen new candidates watching the 32nd degree. What a great job our cast did. Now we are on to a busy summer! We want to congratulate Ron Shaw and Mike DiLeonardo on being nominated to receive their

MSA award next year at OCD to be held at the Akron Fairlawn Hilton Hotel in June. I want to send out a big thank you to all who helped with the hospitality room at OCD this year. Roger and Tiffany Givens, Brian and Connie Breyer, and Scott Boyd. This old man would not have been able to do it without their help and also my wife Judy for putting up with me. There are lots of things going on this summer. The Wild Things baseball game July 27th, the Annual Fish Fry on August 11th, and maybe a boat ride on the river. We can plan these events but if you don't take advantage of them, they do not work.

Talk with you next time. Don't worry, be happy!

Faternally,

O. Wayne Fulmer 32°, MSA, VSA
Executive Secretary

Life isn't about waiting for the storm to pass, It's about learning to dance in the rain.

During your Secretary's golf trip I called Brother Bob Robson who lives in Crossville Tennessee which is only about 5 minutes from where we were staying. Bob is a 55 year member of the Valley of Steubenville. We met on a Saturday

for breakfast and shared a lot of laughs and information about the Valley of Steubenville A.A.S. R. I presented Bob with a Valley ball cap (see picture) and a Scottish Rite Challenge Coin. He was very appreciative. It is always great to communicate with our members no matter where they may be living.

CONGRATULATIONS!

As most of you know we had our Installation and Awards recognition on May 17, 2019. As we were contacting our brothers that were receiving awards, we sent

letters and then followed up with phone calls. One of our brothers that was receiving his 50 year certificate and pin was Robert Devrnja. I had talked to Robert some two or three months previously to check on him and all six of our brothers that live in Tennessee to see how they weathered the flooding and see if any assistance was needed. So when I called Robert, we had talked before. When I told Robert why I was calling I said, "I think I know the answer to my question but I wondered if you would be coming up to Steubenville to receive your award?" Robert replied, since my mother and father are both deceased, the only reason to come back to Steubenville is for a Capri sausage sandwich. (a local sandwich shop) I told him I understood, but I would be coming through Knoxville on my way to Fairfield Glades for a golf trip Monday, and maybe we could hook up and present his certificate and year of service pin. A date was set on May 4th that we would meet. I took it on myself to go to the Capri sausage shop, told them what I wanted to do, and had them package the sandwiches for me. I called Robert on Sunday on our way to our golf destination but could not hook up. So we arranged to meet on Saturday, May 11th. On my way home we met and I gave him his certificate and pin and a Valley of Steubenville ball cap. (see picture) Before I let him leave, I surprised him with a gift of Capri sausage sandwiches which were frozen but assured him they had the Valley of Steubenville flavor. He prepared them that evening and the family enjoyed a good meal.

What your Secretary won't do for some publicity!
